

Guess the Name of the Bear

Can you guess the name of the bear?

All guesses cost £ if you guess right you win the Bear!

Barry	Button	Harvey	Ozzy
Louis	Benjamin	Calvin	Hamish
Bertie	Floyd	Lucky	Percy
Billie	Cain	Mack	Paddy
Walter	Carlton	Martie	Winston

All funds raised will help my CYCLE FOR AUTISM fundraising challenge

Thank you!

All funds raised for CYCLE FOR AUTISM benefits the registered Charity Autism Initiatives Group

Guess the Name of the Bear

Can you guess the name of the bear?

This is a fun way to raise funds for your CYCLE FOR AUTISM challenge.

The first thing you need is a teddy bear 😊 This can be new or old, big or small, but your teddy bear must be lovely enough to inspire people to have a go to win it 😊

Print out 2 copies of the bear name list.

One list is for your supporters to guess the bears name – choose an amount for the donation and write it in the square. We suggest £1 – but depending on the size of your bear you may want to change this. As people guess they fill in their own name and maybe their phone number in the square under the name they have chosen so you can let them know if they win.

The other list of names you have printed out is for you to cut the 20 name squares out. These can then be put in a hat and the winning name can be drawn out after all the names have been guessed. That name is the winning name!

You then inform the winner – and they win the bear! 😊

Any cash funds raised can then be paid into your bank and you can make a personal donation to your fundraising page.

Every penny counts! We really appreciate all your stepping and all your fundraising! You are changing lives one step at a time!

You can do this!
You are amazing! 😊
